## Pleasing Recital

Talented Rockyford Artists Appear At Memorial Hall.

A large and appreciative audience enjoyed a musical treat at the Memorial Hall, Strathmore, last night, when Rev. Fr. Boliz and Mrs. Odella Myers, of Rockyford, gave a joint piano and vocal recital. Fr. Boliz being at the piano, and Mrs. Myers with the violin.

The work of these talented artists has already been reviewed in these columns, and we cannot go into details here, only to say that the whole programme was fully up to the standards previously set.

Following was the programme:

2. Petite Mazurka, Driegmet.
3. Operatic selections from "Carmen", "La Boheme", and "Pasta".

## Beiseker Notes

The baseball fans of the district enjoyed a real treat when Swaleson played Beiseker here on Tuesday, June 9, in accordance with the terms of the "Big Five" league. The evening was rather dark, and the game was called off at the end of the seventh innings, but there was plenty of action. Beiseker won with a score of seventeen to sixteen. A new feature of the game was the umpire, evidently a Swaleson importation. We have heard of people knocking over the umpire so long that they became "ump" on it, and quite evidently the ump fell had a heaven-sent mission to help Swaleson win. Some of this gentleman's tactics were decidedly an innovation, such as grabbing the pitcher's arm when he was about to deliver the ball. Perhaps this was from new rules we haven't seen yet. But what do we care, boys? Beiseker triumphed any way. Come on, play ball!

On Tuesday evening, after the ball game, the ladies of the Beiseker Union Church held a strawberry and ice cream festival, which was enthusiastically attended until the last straw-berry and dish of ice cream had disappeared. It was some feed. We know because we were there.

Mrs. F. A. Lount and son left for Ontario on Monday for a two-months visit with friends and relatives.

The Silver Spray people, of Calgary, have purchased the King George Hotel from Mr. G. Lambert. We will be sorry to lose Mr. and Mrs. Lambert, for they have made the King George a decided asset to the village.

The Beiseker Junior Baseball Team went up to Arme on Saturday, June 13, and trimmed the Arme school team by the score of 25 to 8. Nothing like bringing up the boys in the way they should go. The Arme boys played the hosts at a supper following the game.

## INSPECTION OF CHILDREN'S TEETH

With the approval of Strathmore School Board, Dr. H. H. McIntyre has made an inspection of the teeth of children attending the schools. This service is without cost to the ratepayers. Cards are supplied to the children, but of course it is optional with the parents as to whether they shall have any work done on the teeth or not. There is no doubt that defective teeth are responsible for a lot of troubles, and the school board's action is to be commended on the grounds of public health.

## LOCAL JOTTINGS

### OF LOCAL INTEREST.

Readers are requested to send in letters for this column not later than 12 o'clock Monday noon preceding day of publication. All local news items are welcomed by the Standard, Phone 17 or 68.

Nightingale folks are promised a treat on the evening of Friday, June 26, in the performance of "Nothing But the Truth" by Koonin Dramatic Society, in the Nightingale Hall. This show has appeared at several other points in the district, and has been very well received.

The Strathmore Trading Coy's big summer sale, which opened on Monday, is going strong, and the public are taking full advantage of the many bargains offered. By a typographical mistake the four prices were mislaid out of last week's ad. Readers will find them in this issue, and should take particular notice of them, as they represent great savings.

Mr. D. M. Robinson has received a letter from Dave Anderson, who left recently on a summer holiday, stating that he was leaving on June 12th by S.S. "Montclair" for Ireland. He has already visited in Minnesota, and Iowa, with relations, and in South Dakota, and had to go back to Canada to get it.

A recent copy of "Canada", published in London, England, has reached us. It contains a photograph of the C.P.R. Exhibit at Wembley, with Mr. Chas. Allan in the foreground.

A Liberal Convention for the British Provincial Constituency will be held in Calgary on June 22nd for the purpose of nominating a candidate for the election, which is bound to be held within the next twelve months.

This weather is all right for the crop, but it increases the cost of golf. The grass has been growing, and the mortality among golf balls has been high. It is proposed to put sheep on the course, but the project has not yet materialized. At present, golfers, like the Kaiser's legions in 1914, are hacking their way through, and with little better success.

A son was born to Mr. and Mrs. J. H. E. Cothard, on June 8th, at Holy Cross Hospital, Calgary.

Impressive services were conducted at the St. John's Church on Sunday evening, Rev. A. H. Rowe officiating. It was the inauguration of the United Church of Canada. There was a large congregation. The new office bearers were inducted. A meeting of the trustee board will be held on Thursday evening.

Mr. Tom Barry has been finally discharged from the Col. Beiseker Hospital, Calgary, and is now in good shape.

## Death of Miss Catherine Carlsen

Following a long spell of illness, Miss Catherine Carlsen, aged twenty years, passed away at the home of her parents, six miles south of Strathmore, on Saturday night.

The deceased young lady has borne a long spell of sickness with great fortitude, and the news of her death was received with much regret. The original cause of her illness was a fall from a horse, but she afterwards developed tuberculosis. Some months ago she was taken to Mayo Road, Rochester, Minnesota, for examination, but they were unable to extend a graft degree of hope, though they made certain recommendations, which were carried out.

The late Miss Carlsen was sincerely loved by the people of her district and some months ago was presented with a powerful radio set, purchased through the efforts of the community, to help lighten the long hours in bed.

The funeral, which took place yesterday at Strathmore Cemetery, was largely attended. Service was held in Strathmore Union Church, by A. H. Rowe, and the funeral arrangements were in the hands of Mr. C. W. Chase.

Mr. Anton Pierson, who returned last week from a visit to the States, reports that spring wheat conditions seem very good down there.

Mr. E. E. Green, formerly of the Strathmore Farm Company, and now resident with Mrs. Green and family in Seattle, Washington, was in town this week looking over his interests here. The farm is rented at the present time.

Mr. R. C. P. Van Motman has returned to Strathmore this week after a two years absence, and is taking up residence in his home on Fifth Street, up till now occupied by Messrs Barter and Craddock. During his absence he was for some time at his rubber plantations in Java, Dutch East Indies, and lately at the Hague, Holland.

Strathmore Masonic Lodge members, visiting brethren and their good wishes will enjoy a social evening in the Memorial Hall on Friday evening of this week.

A meeting of the Memorial Tablet Committee will be held at 7 p.m. Friday evening, when a designer will be down to go over plans with them. It is hoped to have the tablet erected by Peace Day, July 19.

All those interested in "Youth" and its problems are invited to attend tech service in the United Church on Sunday evening next, when the minister will speak on "The Covered Wagon"—a message to Youth.

"The Strathmore Standard speaks of the arrival of a 'pair of twins'—a Nankas homey Wonder what day says when twins arrive in pairs!" That the "Gleichen Call" we wonder what the editor of the "Call" expects to get when he buys a pair of trousers or a pair of shoes.

### ACTING PREMIER HOADLEY ADDRESSES FARM MEN AND WOMEN

(Continued from another page)  
...ed at \$20,000 per mile, and had no  
road a third of that per mile to con-  
struct.

**The \$2,000 Indemnity**  
Referring to the members indemnity  
of \$2,000, his view was that if you  
paid \$2,000 you should get value for  
it. If you thought you were not get-  
ting value, replace your representative.  
The Liberals apparently did not be-  
lieve they were worth \$2,000 a  
year, but when the proposal was made  
that if not satisfied they could return  
part of their indemnity, they did not  
make any refunds.

**The Wembley Trip**  
Mr. Hoadley gave a graphic outline  
of his visit to Wembley last year as  
representative of the Alberta Govern-  
ment.

**Was Independent in 1902**  
Referring to the charge that he was  
a Tory before joining the farmers  
Mr. Hoadley said he was not a Tory  
government, the best answer to that  
was to tell them that in 1902 he ran  
as an Independent Farmer in the old  
constituency of High River before  
the Province was established. He re-  
ported to his first conviction when it  
became a dominant factor in the Pro-  
vince.

### SOLUTION WEEK'S

**PLANT**  
Referring to cooperation, Mr. Hoad-  
ley treated the audience to a descrip-  
tion of cooperative marketing as it  
was applied in Denmark. Cooperation  
PLANT was made Denmark purposes, it  
should do the same in Alberta if the  
straw was behind it, but the signifi-  
cance of a contract was not sufficient.  
The quality of the product had to be  
maintained, and satisfaction given the  
consumer. One of the biggest market-  
ing troubles here was that there was  
not a steady flow of produce. The pro-  
duction was very much higher in sum-  
mer than in winter. If production could  
be established they could get all the  
market they wanted in Great Britain.

In concluding, Mr. Hoadley dealt  
with the Department of Health and its  
activities.

**Questions**  
At the close of the address questions  
were invited, and a number were asked.  
One questioner asked why a school  
had been opened last winter to train  
British boys, while other schools were  
closed. The reply was that the  
greater part of the expense of training  
these boys was being borne by the  
Overseas Settlement Board. Further-  
more, these were not boys. The young-  
est was 15, and the oldest 25.

Asked why the farmers could not  
see a sample of the hoes they were  
being asked to provide for the British  
market, Mr. Hoadley said he had  
placed an order for three hoes and a  
hoe from Denmark, but had not been  
able to get them in owing to an order  
by the Dominion Department of Agricul-  
ture forbidding the import of any  
animals from the continent of Europe.  
Asked how the taxes were higher  
when so many savings had been made  
as claimed, Mr. Hoadley replied by ask-  
ing the questioner what taxes were  
higher.

A vote of thanks to the acting Pre-  
mier concluded the afternoon proceed-  
ings. In the evening an address was  
given by Mr. S. S. Sears, and an en-  
joyable dance followed.  
kindly provided both dinner and supper  
for the delegates and other visitors.

competitors from all over Western  
Canada, and from a great many States  
of the Union, including the World's  
Champions in riding and roping con-

### Craigantler News

The crops are progressing after the  
rain of last week. About 175 inches  
fell during the week, with warm  
weather the crops will be farther ad-  
vanced than at this time last year.  
There has been no re-seeding in this  
district, although B. McLean, four  
miles south had to reseed three in-  
ched acres of flax.

Douglas and Arthur Grant were the  
guests of Carroll Collins on Sunday  
last. Carroll celebrated his 12th birth-  
day.

Jack Sharp, the energetic ditchdigger  
from Kildow, has been helping out the  
ditchdigger in the Craigantler and  
Cowtown district.

Al Shober, the treasurer of the plans  
fund, has lost interest during seedling.  
The seedling is over, and now is the  
time for the barbers and old maid  
to do their best to put on a show,  
when the school closes for the plans  
fund.

### REWARDS FOR PROFICIENCY

consisting of bronze, silver and gold

## Social-Personal

Visitors to this part of the country from Ceylon, at the southernmost extremity of India, are not at all frequent, but Mr. F. Marshall who is at present here on a visit to his brother, Mr. H. H. Marshall, hale from that sultry island, he will make a stay of about six weeks, when he will again start on his way to the "spicy breezes." ## Wedding

DONKIN — COLLINS

St. Stephen's Church, Calgary, was the scene of an interesting wedding on Saturday, when Miss Alice Collins, of Abingdon, England, became the bride of Mr. Phil Donkin, of Ardmore. Rev. ## Keoma Notes

We are seriously thinking of organizing a Boating Club in Keoma to hold contests in the swiftly flowing river of Main Street. There is also an excellent open-air swimming pool outside the post office.

The ball team (K-K-K's) went to Calgary last Tuesday to play Riverside. Considering that they were a player short owing to the bad weather and poor roads, they did very well to lose the match with only a score of 3-1 against them. Keoma played an excellent game, and deserved better luck. Today (Saturday) they expect to play Riverside at Keoma, and it is to be hoped that they will have more success than the last two games. At present they have won two games and lost two in the league.

The Keoma Dramatic Society took their play to Aeneas last Thursday, but were very disappointed at the poor crowd that attended, especially as they were told that the performance was even better than before.

Mr. O. Handin went to Calgary this week. He says that if the roads had been better he would have brought out a car, but the roads were too bad.

Messrs Kerr, Boulton, and Mackenzie moved to Calgary on Friday.

Mr. John Vinton is helping our goat storekeeper, Fred Grey to empty his cellar of the soil which the chickens carried into it.

Mr. MacDonald, the minister for Keoma and Dalroy, is holding Sunday school every Sunday at 2 o'clock, and church service at 2 o'clock. Everyone should try to attend.

Bruce Lakes are expected to hold a picnic on July 1st at the Lakes. A dance will be held at night.

Mr. Buchanan, the school inspector, visited Keoma school last Monday.

He gave a very satisfactory report. The Bruce Lakes school ball team challenged the Bryn Mawr school team to play ball on Saturday afternoon, June 20th, at Keoma. It is to be hoped that a number of people will turn out to watch the budding ball players.

## School Column

It is very near the close of the school year and next week many of the pupils in the district will be writing Departmental Examinations. Success or failure in these may mean a great deal to the future careers of the children. We would like to take this opportunity of wishing all candidates the very best of good luck.

Our thanks are due to Mr. Mackenzie for furnishing space in the Standard for this column. It is hoped to continue these notes next year, and we should like to see the

rural schools make more use of them. The Strathmore school staff wish to thank very heartily the School Board for their splendid co-operation throughout the year.

The first important event of next school year will be the School Fair. We hope that every teacher and pupil in the district will do their utmost to make this year's fair a very great success. There is no reason why this district should not be able, in a short time, to have the best School Fair in the province.

Once again the attention of all teachers is called to the A. T. A. meeting in Carceland next Friday, evening. The following is the financial statement of the Field Day, held in Carceland last month.

## Baintree

Now that the green feed for the goat and mule is making satisfactory progress, we take the liberty of informing our numerous friends and foes that Foster, the weather man, said any stronger for the truth than we are. We were foolish enough to take his advice about dry weather and proceeded to set up the old farm with irrigation ditches. After shovelling mud, dust, and water for a few days a nice juicy rainstorm completed the work. Under the pressure of a good head of water from the heavens and the Bow River, our main lateral collapsed, leaving us grimacing like a Tom cat at a fresh herring.

Yes sir, this is a great country. While the toils of the Eastern States are crowding into the open spaces to find a breath of cool air in the evening, the guys who live in this happy land find it comfortable to use a few pair of the blankets when the time comes to seek repose. We have often said to before, gent, so we don't mind saying it again: If the creditors ain't too severe we expect to stay here until the gent with the horns calls our number.

Hello, Canseland! How's tricks, old son?

The defeat of Tommy Gibbons by Tunney brought sincere regret to many sport fans throughout the country. Once again youth and vigor proved more than a match for the ripe experience and generalism of a veteran. Prize fighting isn't what some people care to regard as a gentleman's game, but nevertheless Tommy Gibbons possesses all the earmarks of a thoroughbred. May he live long and die happy is the wish of all who admire skill and courage.

See fellows, what's become of all the guys who were shouting annexation during the winner? Maybe they've gone to work again. It's sure the dope to work off a bad attack of indigestion.

Because we ain't got any news to report, we submit with fear and trembling, our latest effort, entitled: "If It Only Rains Some More."

It's nice to be a farmer. When it's raining cats and dogs, and the shack is leaking badly. From the warped and ancient logs.

It's great to watch the lightning. And hear the thunder roar; For it fills you full of pleasure. When the markets upward soar.

If the rattling hail don't hit us We hope to buy a car; And take a trip to Iceland. Where the hally leebegs are.

We'll pay the blooming taxes, And foot the butcher's bill; You, we'll have a jug of Walker, Though it makes us jolly ill.
